32    <strong>Cancion de Linkin Park in the end</strong>
33    <br><br>
34    It starts with one, one thing, I don't know why <p></p>
35    It doesn't even matter how hard you try <p></p>
36    Keep that in mind, I designed this rhyme to explain in due time <p></p>
37    All I know, time is a valuable thing <p></p>
38    Watch it fly by as the pendulum swings <p></p>
39    Watch it count down to the end of the day, the clock ticks life away <p></p>
40    It's so unreal, didn't look out below <p></p>
41    Watch the time go right out the window <p></p>
42    Tryna hold on, d-didn't even know <p></p>
43    I wasted it all just to watch you go <p></p>
44    I kept everything inside and even though I tried, it all fell apart <p></p>
45    What it meant to me will eventually be a memory of a time when <p></p>
46    I tried so hard, and got so far <p></p>
47    But in the end, it doesn't even matter <p></p>
48    I had to fall to lose it all <p></p>
49    But in the end, it doesn't even matter <p></p>
50    One thing, I don't know why <p></p>
51    It doesn't even matter how hard you try <p></p>
52    Keep that in mind, I designed this rhyme <p></p>
53    To remind myself how I tried so hard <p></p>
54    In spite of the way you were mockin' me <p></p>
55    Actin' like I was part of your property <p></p>
56    Rememberin' all the times you fought with me <p></p>
57    I'm surprised it got so far <p></p>
58    Things aren't the way they were before <p></p>
59    You wouldn't even recognize me anymore <p></p>

```

```

I had to fail to lose it all <p></p>
Bumattert in the end, it doesn't even matter <p></p>
